AMENDMENT AND REPLY

Hon. Commissioner of Patents
Washington, D.C. 20231

Sir:

This reply is responsive to the Final Office Action dated August 13, 2002.

Kindly enter the following amendments and remarks prior to further examination:

IN THE CLAIMS:

Please cancel claims 17-25 and 33-35, amend claims 1, 5-11, 26, and 32, and
add new claims 36-53 as shown below:

1. (Amended) A method for reprogramming and/or altering the life-span
of a differentiated cell comprising introducing into a differentiated recipient cell
cytoplasm from another less differentiated or undifferentiated donor cell to effect de-
differentiation of the recipient cell;

wherein said introduction of cytoplasm does not result in production of an
embryo.
